

EUROPEAN CIVIC FORUM MEMBERSHIP TERMS

1. CONTACT THE NETWORK HEAD OFFICE

Do you share our values and convictions? Do not hesitate to join the European Civic Forum. To do so, you need to be a legal entity (national association or NGO, European network or inter associative national platform) and to agree with [our statutes](#) and [Manifesto](#), which you may find on our website within the section "[Join the ECF](#)".

Please send your application to the ECF Head Office to the attention of the ECF's Board of Directors, as indicated within the application form.
The annual ECF membership fee amounts to 100 EUR.

2. ACCEPTANCE

The European Civic Forum is both a network of associations and NGOs. We organize an annual General Assembly, generally alongside gathering of European associative actors.

To become member of the European Civic Forum, it is necessary to be proposed as candidate by the Board of Directors which will take the decision at 2/3 of its members. This decision has to be ratified by the Annual General Assembly.

Legal entities asking to be member of the association cannot make appeal of the decision of the Board of Directors.

On receipt of your application form, you will be asked to participate in the annual General Assembly in order to present your organization to all the members.
